Sweeping Clearing Sale of Dress Fabrics to Make Room for Our Holiday Goods.

Pieces that were partly sold, others of which we have too much, and all short lengths containing enough for skirts, waists, and full suits suffer terrific reductions. In some instances the price is below weaver's cost. No thought of loss prevented us from arranging and marking these goods so that there would be no question as to their selling rapidly.

Meyer's Extraordinary Showing in Fine Winter Millinery. Turbans are shown in hundreds of different styles and colorings embracing all the

newest Parisian conceits. Pompadour hats will be found here as nowhere else in grace, ash, and effectiveness. We have also a fascinating line of the mid-winter face hats, as well as a great variety of the always-used Fedora hat tastily trimmed. Fur-trimmed Turbans are the latest favorite of fashionable people who like to be exclusive; mink, chinchilla, sable, ermine, &c., are used with wonderful effect, giving a softness and warmth to the hat that nothing else can.

"TOREADOR" TURBANS—The handsomest creations of the son; though hats less artistic will cost you from \$10 to elsewhere, our prices \$7.50, \$5, \$3.75
